March 15th: \$500

April 15th: \$500

May 15th: \$500* This amount will hopefully be reduced if the cost of the trip is lowered.

***All of these are non-refundable.

Immunizations and spending money are in addition to this. The immunizations required are Yellow Fever, Typhoid, Malaria, as well as all your other immunizations being up to date.

- Spending money is up to you. Everything in country is covered in the cost of the trip besides snacks and souvenirs.
- After the initial deposit, you can either pay online with a 3% convenience fee, or write a check to Galilee Church with memo (Insert name of person going on the trip*) to Uganda. i.e. Marty to Uganda
- We will do brunch fundraisers in October, November/early December, January, March, and May. All proceeds will be split between those who participated fully in the brunch.
- There are opportunities to put on your own fundraisers. A student in the past made t-shirts and sold them.
- We will also do a skills auction in April. Each student comes up with a service to auction off to the church. For example pressure washing, babysitting, painting, yard clean up, etc.
- Each student and leader attending is encouraged to send out a "support letter." This is your best fundraising tool. People want to be supporters of students as they go on mission's trips. Especially, when the students follow up and tell them what impact the trip had on their life and show them pictures. Marty will supply a template for you to follow. Essentially the support letter asks friends, family, and colleagues to support you on this mission's trip with prayer and if possible financially. I truly believe in the power of the prayer and the impact this trip will have on the people we are going to serve and the people going on the trip. Therefore, we want as many people praying for us as possible. Support letters give people an opportunity to join us in prayer. Support letters also let people partner with you financially on this mission's trip. Some people have the gift of giving. Many times the people you least expect to give, end up giving the most so don't leave anyone off your list. Supporter's money will go directly towards your trip. The trip price includes money to purchase and install solar panels for an orphanage, solar panels for a school, supplies for a field day, balls and toys for underprivileged kids, and solar lamps for school children so they can study at night.

*In the past a few students who worked really hard raised 100% of their trip. Please contact Marty today if you have any concerns. God does provide so don't let money be the reason you don't sign up for this trip.
